### **OINP Employer Job Offer: International Student Stream**

#### **Applicant's Requirements**

- Applicants must have completed a 1-year or 2-year program and graduated from an eligible Canadian institute.
- Applicants must be well within the Application Period (You must submit your application within two years of completing the requirements necessary to obtain your degree, diploma, or certificate. This means that the date on your educational credential must be within two years of your OINP application submission date, not the date you received the invitation to apply. For example, if your educational credential is dated June 1, 2022, you must have registered an EOI, received an Invitation to Apply, and submit your application on or before June 1, 2024).
- This is a scoring-based stream, and the applicants with higher points have a better chance of receiving the invitation.
- Although no minimum language is required for this stream, a minimum of CLB 7 is always recommended.
- If the position being offered is regulated by the province, a valid license or certificate might be required to do the job.
- You must show the intention to stay in Ontario.
